

Although formed just this past February, the success of the three name partners in Ringler Kearney Alvarez LLP is anything but recent. For almost 30 years, Jerome Ringler has achieved a record of success in the courtroom that is virtually unrivaled in California — and elsewhere. Consider this: Of the 76 cases Mr. Ringler has tried to verdict, 21 have resulted in jury awards in the seven and eight figure range. One class action verdict totaled \$160 million, and a June 2006 personal injury verdict went for \$12 million. But RKA's success is hardly limited to its first named partner.

IN THEIR MORE THAN 20 YEARS TOGETHER before teaming with Mr. Ringler, Thomas Kearney and Paul Alvarez specialized in complex and sophisticated business tort and class action litigation. In just the three years alone before RKA was formed, Mr. Kearney and Mr. Alvarez achieved settlements totaling more than \$60 million. Now, the champion trial lawyer and these hard nosed class-action litigators have joined to create a firm whose blend of talents is virtually unmatched in the state. Indeed, there may be a handful of law firms that can blackboard a list of verdicts comparable to Mr. Ringler's, and an equally select group of class action firms with success comparable to Mr. Kearney's and Mr. Alvarez's. But no firm has the class action capability and trial skills that RKA offers.

MR. RINGLER HAS LONG BEEN LISTED in "The Best Lawyers in America®," and has been included in the Top 100 Los Angeles County Super Lawyers list in 2004, 2005 and 2006. He has served as President of the Los Angeles Trial Lawyers Association and is a member of the International Academy of Trial Lawyers. He was honored as a Master of ABOTA American Inns of Court, and named "Trial Lawyer of the Year" by the Los Angeles Trial Lawyers Association as well as Verdictum Juris. Mr. Kearney has also been honored as a Los Angeles County "Super Lawyer."

Of the 76 cases Mr. Ringler has tried to verdict, 21 have resulted in jury awards in the seven and eight figure range.

NOW, WITH RKA, THERE IS A FIRM IN TOWN that can as readily whomp a defendant on the way to class certification as close the deal in front of a jury. And so it makes sense that the firm is highly selective in its choice of clientele, representing only plaintiffs in significant, high-stakes cases.
